SUMMARY

On the listed date and time, Ofc. Snyder and I responded to the listed location in regard to a combative subject that campus safety officers had pepper sprayed and detained. A- [REDACTED] had been attending a party at the Claremont Colleges and became combative when he was asked to leave by V-Burgos, a campus security officer. A- [REDACTED] attempted to strike V-Burgos on two occasions prior to being detained. LA County Fire (station #101) arrived and treated A- [REDACTED] for the effects of the pepper spray. I contacted A- [REDACTED] and determined that his was intoxicated and unable to care for himself. I arrested A- [REDACTED] for 647(f) PC (Public Intoxication). A-Burgos signed a Private Person's Arrest Form for 240 PC (Assault) and I took custody of A- [REDACTED]. I transported A- [REDACTED] to the CPD jail where he was booked and held for detoxification. A- [REDACTED] was issued a written promise to appear (Citation # C388203) for the charge of 240 PC. He was later released without charges per 849(b)(2) for the charge of 647(f) PC.

INCIDENT REPORT (continued)

1 INVESTIGATIVE ACTIONS:

2 On 09-18-11, at approximately 0121 hours, Ofc. Snyder and I responded to 651 E. Sixth St. (Claremont McKenna College apartments) in
3 regard to a combative subject that campus safety officers had pepper sprayed and detained. Upon my arrival, I located [REDACTED] (A-
4 [REDACTED]) sitting on the ground in handcuffs in the northeast portion of the parking lot. A campus safety officer was rinsing A- [REDACTED] eyes with
5 water from a cup. I contacted campus safety officer Eduardo Burgos (V-Burgos) and obtained his statement. A- [REDACTED] had been attending a
6 party at the Claremont McKenna College and became combative when he was asked to leave by V-Burgos and was pepper sprayed. I also
7 noticed A- [REDACTED] had a small scratch (approximately 1/4 inch) under his right eye and below his mouth. L.A. County Fire (station #101) arrived
8 and treated A- [REDACTED] for the effects of the pepper spray. I contacted A- [REDACTED] and could smell the strong odor of an alcoholic beverage emitting
9 from his breath and person. His speech was slow, thick and slurred and he was unsteady on his feet. Based on my observations and my
10 training and experience, I determined that A- [REDACTED] was intoxicated and unable to care for his safety or the safety of others. I arrested A- [REDACTED]
11 for 647(f) PC (Public Intoxication).

12
13 V-Burgos placed A- [REDACTED] under arrest for 240 PC (Assault) and signed a Private Person's Arrest Form (see attached). Ofc. Snyder contacted
14 Abraham Vargas (W-Vargas), Kameron Persaud (W-Persaud), Freddy Ramirez (W-Ramirez) and obtained their statement. I took custody of
15 A- [REDACTED] for the private persons arrest.

16
17 I transported A- [REDACTED] to the CPD jail where he was booked and held for detoxification. While in the CPD parking lot, I rinsed A- [REDACTED] face
18 and eyes with water. I took five digital photographs of A- [REDACTED] face and body which I later uploaded onto D.I.M.S., along with two digital
19 audio recordings. While in the CPD jail, I read A- [REDACTED] the Miranda Warning from my department issued card, and he stated that he
20 understood. After each question, A- [REDACTED] stated "yes". I obtained A- [REDACTED] statement. A- [REDACTED] was issued a written promise to appear
21 (Citation # C388203) for the charge of 240 PC. He was later released without charges per 849(b)(2) for the charge of 647(f) PC.

23 STATEMENTS:

24
25 V-Burgos related essentially the following:

26
27 I was working as a uniformed security officer for Campus Safety. We provide security for the Claremont Colleges and were assigned to
28 monitor a large party at the apartments located at 651 E. Sixth St. While on duty, I recognized Mr. [REDACTED] as a person who was not a student
29 and that we had previously advised not to return to the Claremont College property. I contacted him and told him he had to leave. He began
30 to argue with me and I took hold of his arm. That's when he attempted to strike me with his fists, but I moved and he missed me. He then
31 began to walk away. Several other security officers and I followed him and tried to detain him. He attempted to strike me again with his fists.
32 I then used my pepper spray with one quick spray across his eyes. He began running and then fell down. We were able to handcuff him and
33 detain him. I want him prosecuted for the assault and will sign a private person's arrest.

PAGE 5 OF 5

1 Under Miranda A- [REDACTED] related essentially the following:
2
3 I was at the party as an invited guest by several of my friends that are students here at Pomona College. Out of nowhere, came a campus
4 security officer (V-Burgos) who told me I was not allowed to be there and to leave. I told him I was an invited guest and there's no reason
5 that I was not allowed to be there. He told me I had to leave. I said okay and started to walk away. That's when he said they were going to
6 call the police and told me not to move. I asked him what he was going to do and told him to call my friends to confirm that I was an invited
7 guest. I started walking again and he told me not to move and to wait for the police, because he was going to arrest me. That's when he
8 grabbed me. I think he hated me. Maybe it's a race thing. I started walking again and he told me again not to move and that I was arrested. I
9 didn't think he could do that, so I kept walking. Then he grabbed me from behind with his left arm and punched me in my right eye with his
10 right hand. Then about 5 to 7 other security officers started helping him. I was pushing to try and get them off of me. It thought it was like a
11 dream. That is when he (V-Burgos) pepper sprayed me. I started running and then fell down in the grass. I stayed there and he said, "You
12 assaulted me". I didn't assault anyone.

NARRATIVE

SUPPLEMENTAL REPORT:

On 09/18/11, at approximately 0121 hours, I responded to 651 E. Sixth St., to assist Campus Safety officers with a combative, intoxicated subject they had detained at the location. Upon my arrival, I contacted Campus Safety officers' Abraham Vargas (W-Vargas), Kameron Persaud (W-Persaud), and Freddy Ramirez (W-Ramirez) and obtained their information and statements.

STATEMENTS:

W-Vargas related in essence the following:

We (Campus Safety officers/staff) were monitoring the party and we saw a guy (A- [REDACTED]) that some of the Campus Safety officers recognized from the past. We recognized him as a "non-student" at the Claremont Colleges and as someone that we have advised of trespassing before. When Eddy (V-Burgos/Campus Safety officer) went to contact him (A- [REDACTED]), it looked like he ignored Eddy at first. Eddy continued to ask him to leave and he (A- [REDACTED]) repeatedly said, "I'm not leaving." That is when the subject (A- [REDACTED]) took a combative stance with Eddy and then swung his right fist at Eddy's face. He (A- [REDACTED]) didn't make contact with the punch, but there was a lot of commotion. He (A- [REDACTED]) continued swinging his fists at Eddy and other Campus Safety officers as they tried to control him. We (Campus Safety officers) were yelling the command, "Stop resisting." He (A- [REDACTED]) then took off running northbound from the apartments (651 E. Sixth St.) and we (Campus Safety officers) chased him. Eddy pepper sprayed him to control and calm him down. The subject (A- [REDACTED]) eventually gave up and we were able to handcuff him and detain him until you guys (CPD) showed up. The scratches on his face I'm assuming are from the scuffle he had with Eddy and the rest of us (Campus Safety officers).

W-Persaud related in essence the following:

I recognized him from numerous trespassing advisals that we (Campus Safety officers) have given him in the past. When Eddy (V-Burgos) went to contact him and ask him (A- [REDACTED]) to exit the party and college campus, he (A- [REDACTED]) got into a combative stance with clenched fists. That is when he (A- [REDACTED]) swung at Eddy's face with a right closed fist. He didn't hit Eddy but he kept on swinging his fists and that is when the rest of us (Campus Safety officers) attempted to control him and detain him until you guys (CPD) got here. He (A- [REDACTED]) started running northbound through the apartment complex (651 E. Sixth St.) and we chased him. When we caught up to him, Eddy pepper sprayed him in the face, attempting to make him stop swinging his fists uncontrollably. Everyone (Campus Safety officers) who were in the altercation were yelling the command, "Stop resisting." We were able to get him into handcuffs to detain him until you guys (CPD) arrived. While we were waiting for you guys, I was pouring water over his forehead and eyes at his request to help flush some of the pepper spray from the area.

NARRATIVE

I could smell a strong odor of alcohol on his (A- [REDACTED]) breath and person. He was obviously drunk. The marks on his (A- [REDACTED]) face were caused from the fighting.

W-Ramirez related in essence the following:

That guy (A- [REDACTED]) has been advised numerous times of trespassing and we recognized him. When Eddy (V-Burgos) went to contact him and ask him to leave, he (A- [REDACTED]) got into a combative stance with his fists clenched. He took a swing with his right fist at Eddy's face and missed. We tried to assist Eddy by grabbing him (A- [REDACTED]) but he continued to swing wildly at us. Everyone (Campus Safety officers) was yelling the command, "Stop resisting." He got out of our (Campus Safety officers) grasps and took off running north through the apartment complex (651 E. Sixth St.) and away from the party. Eddy caught up to him and pepper sprayed him in the face. Shortly after he (A- [REDACTED]) was pepper sprayed, he calmed down and we were able to handcuff him to detain him until you guys (CPD) showed up. He was pretty drunk. I could smell a strong odor of alcohol coming from his breath.

NARRATIVE**SUPPLEMENTAL:**

On 09/18/11, at approximately 2230 hours, I responded to the lobby of the Claremont Police Department to meet with A- [REDACTED] A- [REDACTED] had just left the hospital and wanted CPD to have his hospital paperwork and to take pictures of his face. A- [REDACTED] also wanted to make an additional statement regarding his arrest and "beating" by Campus Safety. A- [REDACTED] believed the events that took place yesterday evening constituted a hate incident. I instructed A- [REDACTED] to return on Thursday (9-22-11) and speak with Officer Martinez regarding his concerns. I took three digital photographs of A- [REDACTED] face and right armpit area. I later uploaded the pictures onto DIMS at the Claremont Police Department. I made a copy of the hospital paperwork which is attached to this supplemental report.
